**Subject : Admission of in-service sponsored candidates for PG Degree/
Diploma Courses in RIMS, Imphal for the academic session-2012.**

Sir,

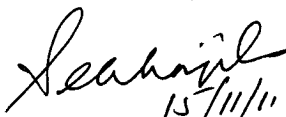

I am to inform you that the PG Degree/Diploma Courses in RIMS for the academic session-2012 will start from 2nd May, 2012.

The selection of candidates has been normally done by the RIMS authority by conducting a common entrance test examination in the month of February in RIMS. However, the selection of students for PG Degree/Diploma in all the Medical Colleges / Institutions in the country is likely to be conducted by a competent authority through an All India Common Entrance Test Examination as may be decided by the Govt. of India w.e.f. the 2012 academic session. In the event of such eventuality, the admission of MD/MS/Diploma in RIMS, Imphal will be based on securing the eligibility marks in the said entrance examination.

Although, the RIMS authority is yet to receive any formal communication in this regard from the higher authority, as a precautionary measure, the intending in-service candidates of your State who are likely to be sponsored for seats available in RIMS for the session-2012, may be instructed to appear for All India Common Entrance Test Examination -2012 in their own interest. Any further changes in the policy decision as may be decided by the competent authority for PG admission in RIMS for the session-2012 will be intimated to you

The subjects allotted to beneficiary States of RIMS for the session 2012 will be communicated soon.

Yours faithfully,

(Prof. S. Sekharjit Singh)
