MEMORANDUM

Date: June 11, 2009
To: To Whom It May Concern
From: Boli Emich
Subject: Proprietary Article Certificate

We hereby certify that MicroAire Surgical Instruments, LLC, is the sole manufacturer of the PAL (Power Assisted Liposuction). MicroAire manufactures both the PAL-600E and PAL-650. MicroAire is the original inventor of the "PAL" and holds all US and International Patents and Intellectual Property on this products. "PAL" is also a registered Trademark of MicroAire Surgical Instruments, LLC.

This device uses a 2 mm stroke movement of 4000 cycles per minute. The surgeon can easily guide the device without using a large amount of force, especially in the more fibrous tissue. Features of the MicroAire PAL system are:

- No heat generated
- Easy slide control for ON/OFF
- Used on all parts of body
- Especially good in fibrous areas
- Adaptable to most suction systems
- (around 29.6 inches of mercury)
- Our suction tubing is designed to fit all standard systems
- Instrument and cable can be steam autoclaved
- Cannulae available in single use or multi-use styles
- PAL system is compatible with the MicroAire 1000 Series Small Bone Modular Power Series

Thousands of satisfied customers since the PAL introduction in 1997.

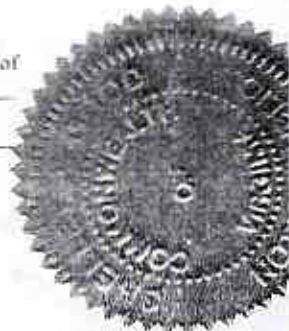

Respectfully,

Frederick B. Emich
MicroAire Surgical Instruments, LLC

Certificate Of Acknowledgement
County of Albemarle, Commonwealth of Virginia

The foregoing instrument was acknowledged before me this 11 day of June 2009 by Frederick B. Emich
Shelley A. Good
