Sir,

I am to state that the Medical Council of India considered the Council Inspectors report (January, 1982) on the facilities for teaching existing at Regional Medical College, Manipur and also the subsequent correspondence from the Principal of the college as well as the letter of the Chief Minister of Manipur, and decided that the temporary recognition to the M.B.B.S. degree of Manipur University in respect of the students being trained at Regional Medical College, Imphal, given by the Council upto 30th April, 1982, may be continued for one more year, i.e., upto 30th April, 1983 as a special case.

I am therefore to request you that immediate steps may be taken to notify the same to enable the candidates passing out from this institution to obtain the registration at an early date.

I am further to inform you that another inspection will be carried out by the Council in due course, to see whether the defects and deficiencies pointed out by the Council Inspectors in the previous inspection report have actually been rectified by the authorities concerned.
