

REGIONAL INSTITUTE OF MEDICAL SCIENCES
(An autonomous Institute under the Ministry of Health & Family Welfare, Govt. of India)
IMPHAL – 795004, MANIPUR

OFFICE MEMORANDUM

Imphal, the 24th Oct., 2015

No. B/2287/2012-RIMS: It has come to the notice of the officials of the institute that some of the faculty members are actively involved in anti-establishment activities by writing anonymous letters and sending emails levelling allegations against the authority of RIMS, Imphal to the Ministry of Health & Family Welfare, New Delhi. The issues raised in such anonymous letters and emails revolve around certain areas which are already addressed when comments were called for from the institute by the Ministry. As a result, the overall impression of the institute is being questioned by the Ministry and it only reflects a poor image of the institute. During the Executive Council meeting held on 20.10.2015, Secretary (H&FW) has expressed his displeasure and emphasized the need for everyone in the institute to work together for the welfare of the institute.

All faculty members are requested not to indulge in such kind of anti establishment activities. If there are grievances, efforts can be made to resolve such issues at the institute level before writing to the Ministry. The authority will be compelled to report/hand over such matter for investigation to concerned department/agency like CVC, CBI, IB, etc., if such activities are not stopped.

It has also been observed that many of the responsible officials of the institute go to the media without following laid down procedures and expressed their views which is generally perceived by the general public as the views of the institute. Hence, all faculty members/staff of the institute should desist from going to the media without the approval of the competent authority of the institute, failing which appropriate necessary action will be initiated as per rules.
