Introduction:

The Regional Institute of Medical Sciences (RIMS), Imphal was established in the year 1972. It is an Institution of regional importance catering to the needs of the North Eastern Region in the field of medical education by providing undergraduate and post graduate courses, bringing together in one place the educational facilities for training of health personnel in all important branches of medical specialties, Dental and Nursing education. The Institute is affiliated to the Manipur University, Canchipur.

The Foundation Stone of the College of Nursing RIMS, Imphal was laid by **Shri Ambumani Ramadoss, Union Minister of Health & Family Welfare, Government of India** in the year 2008. The College of Nursing, RIMS, Imphal started in December, 2009 with intake capacity of 50 students for B.Sc. Nursing Course. The College is recognized by the **Indian Nursing Council (INC), New Delhi** and **Manipur Nursing Council (MNC), Lamphelpat, Imphal** for B.Sc. & M.Sc. Nursing Course.

Mission of the College:

The College of Nursing, RIMS was established to impart nursing education to individuals who will be professionally competent, ethically sound with knowledge, skills and attitudes necessary to deliver holistic health care in all settings and also to participate in educating professional nurses. We are committed to provide excellence in Nursing education, research and health care for the benefit of humanity.

Vision of the College:

To develop young minds for achievement of academic excellence in quality nursing education, competence and also to develop leaders in nursing and health care whose actions, discoveries and voices would strengthen and transform the health of individuals and the community.

Aim:

The aim of the postgraduate program in nursing is to prepare graduates to assume responsibilities as nurse specialists, consultants, educators and administrators in a wide variety of professional setting.

Objectives:

On completion of the two years M.Sc. Nursing Programme, the graduate will be able to:-

1. Utilize/apply the concepts, theories and principles of nursing science.
2. Demonstrate advance competence in practice of nursing.
3. Practice as a Nurse specialist.
4. Demonstrate leadership qualities and function effectively as nurse educator and manager.
5. Demonstrate skill in conducting Nursing Research, interpreting and utilizing the findings from Health related Research.
6. Demonstrate the ability to plan and effect change in Nursing Practice and in the Health Care Delivery System.
7. Establish collaborative relationship with members of other disciplines.
8. Demonstrate interest in continued learning for personal and professional advancement.

Course of studies:

The Institution at present offers the B.Sc. Nursing & M.Sc. Nursing Course of study and is recognized by Indian Nursing Council.
