1) **RECEIPT OF TENDERS:**

Tender must reach this office not later than the date time specified in the tender notice as mentioned above. Late tenders including postal/courier delays may not be considered at the discretion of this office.

2) **Two Bid system**

Tender should be submitted in two bid system containing two parts of

Part-I :- Technical Bid in a sealed cover.

Part-II:- Price bid/Financial Bid in another sealed cover.

Both the sealed envelopes should then be put in one outer cover indicating thereon.

- i) Tender Notice No.& Date.....
- ii) Tender regarding.....
- iii) Due date for submission of the tender.....
- iv) Name of the firm & address.....

3) **OPENING OF TENDER :**

Tenders shall be opened as specified in the tender notice. Tenders or their representatives duly authorized may be present at the time of opening of the tenders, if the date of opening of the tender is declared as Holiday or otherwise, the same will be opened on the next working day of the opening of the tender, if any, will be intimated to the tenders/agents who are present.

The **Technical - Bids** are to be opened in the first instance, at the prescribed time and date as indicated in NIT. These Tenders shall be scrutinized and evaluated by the competent committee/ authority. During the Technical Bids Tender opening, the tender opening official(s) will read the salient features of the tenders like brief description of the goods offered, delivery period, Earnest Money Deposit and any other special features of the tenders, as deemed fit by the tender opening official(s). Thereafter, in the second stage, the Price/Financial Bids of only the Technical bids acceptable offers (as decided in the first stage) shall be opened for further scrutiny and evaluation on a date notified after the evaluation of

the Technical bid. The prices, special discount if any of the goods offered etc., as deemed fit by tender opening official(s) will be read out.

4) CONDITIONS OF CONTRACT :

Any terms and conditions of the tendering firms not appearing in the body of the tender will not be considered as forming part of their tenders. Tendering firms should submit their tenders with reference to the terms and conditions prescribed hereinafter which shall form part of terms of supply orders to the approved tenders.

5 (a) Documents establishing Good's Conformity to Tender document.

i) The tenderer shall provide in its tender the required as well as the relevant documents like technical data, literature, drawings etc. to establish that the goods and services offered in the tender fully conform to the goods and services specified by the purchaser in the Tender documents. For this purpose the tenderer shall also provide a clause-by-clause commentary on the technical specifications and other technical details incorporated by the purchaser in the Tender documents to establish technical responsiveness of the goods and services offered in its tender.

ii) In case there is any variation and/or deviation between the goods & services prescribed by the purchaser and that offered by the tenderer, the tenderer shall list out the same in a chart form without ambiguity and provide the same along with its tender.

ii) If a tenderer furnishes wrong and/or misleading data, statement(s) etc. about technical acceptability of the goods and services offered by it, its tender will be liable to be ignored and rejected in addition to other remedies available to the purchaser in this regard.

5 (b) The Tenderer may be required to demonstrate the functioning of the equipments offered by them at the time of consideration of the technical bid. The demonstration, if necessary shall be done at RIMS, Imphal at the tenderer's own cost.
