

RIMS
ANNUAL REPORT
2013-14

Foreword

I am glad to present the Annual Report of the Regional Institute of Medical Sciences, Imphal for the period 1st April 2013 to 31st March 2014 though I have been entrusted with the duties of the Director of this institute on 25th August 2014.

In the academic front, the institute has witnessed a large number of papers read at conferences, published articles and various conferences, CMEs, workshops, training courses organised at RIMS. Various projects are being undertaken in many of the departments for research purposes which also have helped in improving the lab infrastructure of this institute.

Serious efforts have been made to improve the patient care services by procuring, among others, Video Bronchoscope, 4 more new Haemodialysis machine, 4 new dual combinations of LED OT lights, cardiac defibrillators, infusion pumps, hysteroscopy set, digital video colposcope, monitoring equipments in various wards, instruments & equipments for neurosurgery, plastic surgery, etc. The sanitary & water supply conditions are being improved with major renovation of the toilet complexes, construction of new tanks, drains and laying of new water pipelines, etc.

Full support has been provided for all the student related activities like RIMSAM, Fresher's Meet, distribution of certificates immediately on completion of courses, internship, publication of REMEDY. The library opening hours have been extended for benefit of students.

The College of Nursing, RIMS has been consolidated with full strength of teachers. The first batch of nursing students have cleared the graduation examinations conducted by the Manipur University and it is heartening to share with all the members of the institute that all the students have passed the final yr B.Sc. examinations.

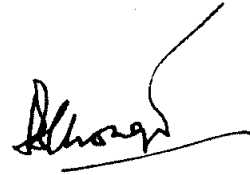

In respect of the Dental College, permission of the Dental Council of India and the Ministry of Health & Family Welfare for upgradation to 3rd BDS course has been obtained. Most of the essential teaching posts have been filled and infrastructure developments for 4th year up-gradation initiated.

I wish to thank all the faculty members, doctors, nurses, faculty of College of Nursing, faculty of Dental College, all categories of non-teaching staff and students for their co-operation, dedicated services and praiseworthy achievements.

Particular mention must also be made of the very able administrative staff members who have faced challenges with courage and integrity; the multitude of teaching staff who worked in various committees selflessly with constructive criticisms; and those who volunteered to work in various capacities in academic, patient care and planning assignments.

As long as we remain united and dedicate ourselves for the welfare of students, render the best possible services to the patients, RIMS Imphal will continue to remain as one of the best medical education and healthcare institutes in this country.

At the end I must place on record our heartfelt thanks to the very supportive officials of the MoH&FW, New Delhi for addressing the demands and proposals of the institute and making positive changes and developments in RIMS, Imphal.

Prof. Ch. Arun Kumar Singh
Director,
Regional Institute of Medical Sciences

3. Brief Progress Report of RIMS Hospital (1st April 2013 to 31st March 2014)

Regional Institute of Medical Sciences caters 4,33,739 patients annually out of which 43,317 patients are admitted in different wards. Emergency Services are available round the clock. A combined effort is being made to improve the general state of cleanliness and sanitation which is being appreciated by one and all. Hon'ble Union Minister of Health and Family welfare Dr. A. Ramadoss visited the Institution on 14th May 2008 and laid the foundation stone of New OPD block, Dental College and Nursing College. The construction of New OPD block is now almost complete and the Dental and Nursing College have already started functioning. Supply of Hospital Diet is also being improved tremendously with a proper maintenance of quality. Plans are already afoot to modernize the kitchen.

RIMS is one of the eight centers selected for introduction of free Anti- Retroviral Therapy (ART) in India and the ART centre in RIMS was rolled out on 5th April 2004 in collaboration with Manipur AIDS Control Society (MACS) and National AIDS Control Organisation (NACO). Development and renovation of new and old special wards have been completed and can accommodate more patients now in the paying wards. The Hospital provides prompt and efficient service to all and it's grateful to all the staff.
