No. A/208/SA/RIMS/2015: The Academic Sub-Committee meeting held on May 18, 2023 resolved to resume the undergraduate classes of all the streams in the hybrid mode from May 22, 2023 considering the following viewpoints -

- Tight CBME curriculum with limited available time
- Likelihood of adversely affecting future competitive examinations for higher studies if academic activity is stalled for a long time
- Improving law and order situation in the State
- Augment bringing about normalcy in the State if classes are resumed with the involvement of all the stakeholders
- Instill a sense of continuity in academic activities

A modified time scheduled will be shared on RIMS website. Classes in hybrid mode shall continue till further order is issued from this office.
