O R D E R

Imphal, the 8th April, 2026.

No.: HGEN/MISC/4/2025-Gen (Hosp): It has been observed that some doctors and staff are carrying bags and personal belongings inside the Operation Theatre (OT) of RIMS Hospital, which may increase the risk of contamination within the OT.

In order to maintain the highest standards of infection control and patient safety, it is hereby instructed that all personal entering the OT Complex shall keep their bags and other personal belongings outside the Operating Room.

This measure is essential to ensure a safer and more sterile environment for patients.
